Dear Don,

You are nothing but one simple repetate of a hypersuperfiliosicated fool, but I like you just the same. I did hear, long long time ago about you going to Pendleton to school in a pair of swimming suits. I'll never forget you in our English Class (How could I).

SUPERINTENDENT'S MESSAGE

A new high school plant to be occupied sometime in the early part of 1953 is at last to be a reality. We hope that construction is well under way by the time this annual is to be ready for the students.

Faculty, students, and parents have been very patient with the extreme conditions under which school has been held at Hermiston High. Their patience will be well rewarded when they can view and occupy this new building in reality, and carry on classes in a situation approaching normal.

ARMAND O. LARIVE

PRINCIPAL'S MESSAGE

The class of 1952 is to be congratulated for the contribution it has made to Hermiston High School during the past four years. Members of this class have participated in a great number of school activities. By their support and participation, they have enriched the high school activity program in such fields as Drama, Music, Journalism, Athletics, Student Government, ect. It is hoped that the classes will follow the example set by the class of 1952, by supporting all school activities with their time and effort.

Here is a hearty and sincere wish for success and happiness for each and every member of this year's graduating class, and a hope for bigger and better things ahead for Hermiston Hi through the efforts of all underclassmen.

SENIOR CLASS HISTORY

When we, the Class of 1952, entered the sacred portals of H.U.H.S. in September, 1948, we thought that this year, when we would at last attain our goal, was far away.

Our first great event was Freshman Initiation. Our candidate, Ruth Cherry, was crowned Carnival Queen.

Our class officers were:

President ..... Kathleen Kelley
Vice President ..... Darlene Tramel
Secretary ..... Grace Nelsen
Treasurer ..... Ruth Cherry
Class Representatives ..... Sidney Letts and Dick Bensel
Class Advisor ..... Miss Mildred Stanfield

Our first activity in our Sophomore year was Freshman Initiation, when we got revenge for the previous year's maulings.

We were very proud when our candidate, Donna Nusser, was Carnival Queen.

Our class officers were:

President ..... Grace Nelsen
Vice President ..... Alan Pedigo
Secretary ..... Beverly Woodward
Treasurer ..... Sylvia Sommerer
Class Representatives ..... Ruth Cherry and Vincent Alleman
Class Advisors ..... Miss Gertrude Hakola and Mr. Ben Padrow

In our third year in H.U.H.S. our candidate, Grace Nelsen, was crowned Queen of the Carnival. A three-act comedy, "Double Trouble," was given by our class on May 4. The theme of the Junior Prom presented on May 12, was "Little Dutch Garden."

Our class officers were:

President ..... Dick Bensel
Vice President ..... Danny Bartlett
Secretary ..... Vincent Alleman
Treasurer ..... Carol Miller
Class Representatives ..... Donna Nusser and Robert Ransom
Class Advisors ..... Miss Orpha Weisbeck and Mr. Jess Thomas

Now, we are in our final year at H.U.H.S. We have achieved much during our high school days, and we look forward to graduation.

For the fourth consecutive year, we were highly honored when our candidate, Margaret Monroe, was crowned Carnival Queen.

An old-fashioned (meller-drammer), "Bertha, The Beautiful Typewriter Girl" was given on December 14. "Winter Wonderland" was the theme for the Christmas Formal which was presented on December 22.

Our class officers were:

President ..... Jim Barnard
Vice President ..... Shirley Mollette
Secretary-Treasurer ..... Genevieve Cutting
Class Representatives ..... Margaret Monroe and Bill Myers
Class Advisors ..... Mrs. Orpha (Weisbeck) Fessler and Mr. Jess Thomas

AS I'LL REMEMBER THEM

VINCENT ALLEMAN—What does that name mean to you, tall, dark, and popular, and owner of a contagious smile? Vint has been active in sports, and his Senior year he was President of the Lettermen's Club. His future plans are not definite, but "we get ideas."

IRENE ANDERSON—Irene can be remembered for her part as the mother in the Senior play. She is rather bashful, but a swell friend after she gets acquainted. Following graduation Irene plans to go to Portland with Betty to try her luck at nursing.

VIDA ANDERSON—This gal will always be remembered for her flaxen blond hair and that very often envied athletic ability of hers. She was always a swell friend to everyone, and one of the first to volunteer when there was work to be done. Good luck Vida.

DICK BARHAM—Watch out for this guy. Dick drives that pick-up like it were a toy scooter. You can remember him in social problems always reading western stories. Dick does work sometimes though at the Columbia Furniture Company.

JIM BARNARD—Jim pulled a fast one and got married halfway through his Senior year. He was that tall, blonde, basketball player everyone liked to watch. He works swing shift at McNary Dam, and after high school he wants to go to college and support Janis.

RALPH BARLOW—To remember Ralph driving his Chevrolet is one of the things that makes you stop and think of the hot-rod races. But really Ralph doesn't do too badly, and he can be remembered for his blonde hair and that football ability of his.

DICK BENSEL—Dick was always one of the outstanding boys. Besides being active in sports, he also found time to be President of the student body. Dick's plans for after graduation concern college—probably Washington State.

BETTY BERRY—That quiet, shy girl in your classes is Betty. She will be remembered for her lovely, long brown hair, or perhaps she sits next to you in chorus. This summer she wants to go East and work, nothing particular, just so it's a job.

JACKIE BROWN—Jackie will be remembered for her cheerfulness and willingness to help. Chorus is her favorite pastime, and she plans to make secretarial work her vocation. When she makes her first million, she wants to travel.

EUGENE CASSENS—His classmates thought Gene, as he is called, was shy, but that was before we got to know him. He was always a swell friend and a nice guy to know—especially if you had problems in English.

RUTH CHERRY—Ruthie was one of the trio of girls that lead the yells for our Alma Mater. She was President of Girls' League and always very active in school activities. Her plans call for a business career, not marriage, so she says.

JEAN CLARK—Very industrious and always seeming to know what she wants and how to get it is this girl. She is very interested in home economics, and is an active member of FHA. Following graduation she plans to further her education at Oregon State College.

GENEVIVE CUTTING—"Gen" will be remembered for her auburn hair and also as a member of the can-can line. She plays the piano and is in demand as an accompianist. After graduation she would like to go to college.

CRANVILLE DENNIS—He seems to be a pretty quiet guy till you get to know him. Then you'll find he can talk just as much and just as fast as the rest of us. "Dennis," who is 6' 1" says he will serve in Uncle Sam's Navy following graduation.

LARRY DEVORE—Here's a spunky kid who never let a broken nose stand in his way of boxing and playing football. He was always out there fighting for Hermiston High, and that's the way we'll all remember him. Good luck Larry, you have it coming.

LEONARD DIXON—Leonard will be remembered as a valuable member of the tennis team and also as a swell, hardworking guy. He is another one of the fellows destined to soon be in Uncle Sam's service.

BARBARA DOUGHERTY—Well known in H.U.H.S. for her speech ability is this gal. She won her laurels in panel discussion. Always very well dressed, Barbara says clothes are sort of a hobby with her. She plans to continue her education at the University of Oregon.

DON ENGLERT—Don could well be called the best liked pest ever. If Don was in the territory when that spitwad hit you, you didn't even have to ask who threw it. Don doesn't think he will have to wait to have his future decided for him by Uncle Sam.

ANITA FAGAN—Anita is very interested in music, she is a clarinetist in the schol band, and she also sings a great deal. Following graduation she hopes to attend college with the emphasis on music.

LETA FAIRBANKS—Leta will be remembered as a saxophone player in the band as well as in the dance

AS I'LL REMEMBER THEM

band, and I know we'll never forget that wonderful sense of humor. Her future plans are undecided but we hope she will be very happy.

ROBERT FINTEL—Here's a fellow who was always known as a "shy guy"! Will he change in the future? It would be interesting to stick around and see. Bob is 6' 2" and very good looking. He says he'd like to go to college after he graduates.

OMEGA FORBES—We'll all remember "Uga" as that cute gal who was always so busy helping in the office and correcting shorthand pads. She is loads of fun—just ask anyone who knows. And of course, who could forget her "cowbell" at the basketball games.

DEAN HAMMETT—This 6' tall redhead can really be a riot, as he has proved many times. He almost stole the show in the Senior Melodrama with his poses, and his choice of female companions isn't bad either! We'll probably see Dean around with the BDA boys.

PATSY HOLEMAN—Patsy will be remembered as the gal in the office. She is interested in being a private secretary and she has already had some experience. But even more important is the fellow who gave her that beautiful diamond she wears so proudly.

BEVERLY HOEFT—Here's a cute kid with personality plus, the type you can't help liking, always sweet and helpful. Now it is Mrs. Harvey Ward, lucky guy. Guess that tells what Bev's future will be, homemaker; she'll make a swell one.

GARY HUBBLE—This guy could be known as "Moody" because of the fast changes he makes. Not only in moods does he make changes, but also with the gals. "Romeo" may be a better name for him, and we'll always remember him in English without his assignment.

DON HUITT—Don became a member of our class when he transferred from Stanfield High during his Sophomore year. We'll always remember Don speeding around in a '40' Ford. Don's plans after graduation revolve around a career in aeronautical engineering.

KATY KELLEY—Naturally curly hair and a trait of friendliness are two of Katy's outstanding characteristics. Lucky Katy gets to handle all our money as student body Treasurer. Next fall she is going to Oregon State College to take care of Bob.

PAT KENDALL—She grew up with Hermiston, having gone to school here since the first grade. She plans to leave us soon after graduation for Northwest Christian College in Eugene. Her ever-ready and willing cooperation has endeared her to all of us.

BETTY LILES—Here is a girl with plenty of athletic ability! She can often be seen skating, or driving a green pick-up with all her friends aboard. Her ambition after graduating is to attend nursing school in Portland.

BETTY LISH—Betty will always be remembered as the gal at the drive-in who dished out the popcorn and sold tickets. Wonder how thick that joke book is getting to be. Betty, whose future is undecided, is envied by many for that beautiful dark brown hair.

SHIRLEY MARLER—Here is a gal very interested in horses, particularly racers. She can always tell a good long story; doesn't seem to matter what subject you might be talking about. Shirley has no definite plans as yet.

GWEN MARSHALL—If there is work to be done you can count on Gwen to be there helping. She is a swell organizer and always does her bit, and usually a lot more. We wish you all the luck in the future Gwen, you deserve it.

MARVIN MARTIN—If you have any problems in English class, here is your man. He is a whiz. He is tall and dark and you might think bashful if you didn't know him too well. Good luck in the future, Marvin.

LORETTA MASON—Ever walk into the drug store and order a soda? The little brunette soda-jerk with the big smile is Loretta. She is very interested in drama and music and plans to study this combination at college following graduation.

NORMA McCALL—Here is an outstanding carnival ticket salesman who claims the proud height of 5' 7" and possesses that much envied naturally curly hair. Norma is well known for her happy disposition and quick wit. Following graduation she plans to "see the world."

HENRY McKENZIE—Couldn't get much low down on this sleepy-head. He's 5' 9" and has black hair and brown eyes. There is only one thing he wants to do—sleep all day! At least that's what he tells us.

CLARA MECHOW—To win an argument with Clara is like receiving a gold medal. She can outdo you in her debate and speech anytime. Clara can be remembered in the Senior Melodrama as one of the rootin', tootin', can-can girls with the come-hither voices.

CAROL MILLER—Better known as the "Young Man With A Horn." Carol will be remembered for his musical ability, and if you are ever blinded by a flash bulb at the ballgames think nothing of it, it is just Carol getting the "light" in the plays.

AS I'LL REMEMBER THEM

SHIRLEY MOLLETTE—She entered H.U.H.S. from Walla Hi her Senior year and has been an asset to the Senior class as well as to the various musical organizations—we will remember her as accompianist for the chorus and dance band. Her future plans are hazy but rosy.

MARGARET MONROE—That majorette who really draws the whistles in the spotlight is "Maggie," as she is often called. She has been very interested in all school activities since entering H.U.H.S. from Umatilla. Her plans are undecided, but we know she will be a success.

DOROTHY MOORE—This girl is quiet, but also a brain. For those of us who know her she is a wonderful friend. We are always happy to see her return to H.U.H.S. from Upper Columbia where she has spent the other half of her high school days.

BILL MEYERS—We will remember Bill as the blonde, wavy-haired guy with the "physique." A black '39' Ford, which was all souped up, and parties "with the boys" are two other things we connect with Bill's name.

DONNA NUSSER—This little gal is really loaded with pep, which proves her ability as one of the H.U.H.S. cheerleaders. She has been very active in all school affairs and when we think of Donna we also think of Dick who will probably figure in her future plans.

GRACE ANN NELSON—A vivacious blonde cheerleader, that's Gracie, who's greatest ambition is to be a physical education teacher. We know her students will love her as we do. We'll always remember her for her big smile and soft voice.

BOB PALMER—It was really a surprise when Bob turned out to be a soloist in chorus. He proved he can act too when he very convincingly played the "villian" in the Senior Melordrama. After high school, in which he has been quiet a wheel, he plans college.

LOIS PRICE—The one without the rings is Lois—anyway that's the way I tell them apart. An ever active member of Pep Club and one of those who could really sell carnival tickets. The very best of luck to you in the future, Lois.

LOUISE PRICE—One of the inseparable twins was Louise, but that was before she was a married mother of a little boy. Louise has always been a very enthusiastic member of the class of '52'. Good luck to you and your family, Louise.

FRED POINTER—Fred is a familiar, hardworking employee of Safeway and may be seen there most of the time he isn't in school. Fred plans to continue as a Safeway employee until Uncle Sam beckons.

EVA RAGSDALE—Eva had a good chance to "look down" on most of us (she's 5' 10") but she never did. She's as friendly as they come and will make somebody a good secretary or maybe a wife, huh? But no definite plans yet, anyway.

ALLEN PEDIGO—To Allen's daughter he is "Dad," to us he is one of the "Pedigo boys"! Allen can be remembered for his sportsmanship and athletic ability. Where ever he goes we know that success will follow.

ROBERT RANSOM—Bob is remembered mostly for his musical ability. Everyone in band will remember him as Student Director and band President. He is tall, blonde, and the fellow who plans on going to the University of Oregon—if he passes, that is.

WARREN RIETZ—Warren transferred from Kalispell High in Montana his Senior year, and he plans to attend Arizona State next year to study for a career in engineering. If you should drop in at the Western Auto Store, you'll find Warren there working at his T&I job.

JERRY SELLERS—Everyone can remember seeing Jerry drive up to the school in his rust colored Ford. It's the same color as his hair and just as snappy. To mention feet to Jerry is like mentioning a tug to Tugboat Annie. I'll always remember Jerry in his low-hipped clothes.

DOROTHY SHOCKMAN—The girls in Pep Club remember Dorothy as the President who kept them in line. To most of us she is also remembered as a twin to Don. She is a tall girl with pretty hair and brown eyes. She wants to be a sales clerk in a clothing store.

CARL SITZMAN—If you see a '34' Ford with dual straight pipes cruising around H.U.H.S. you'll probably see Carl Sitzman behind the wheel. Carl can be recognized by the "dragging" walk and his ability for being late to class.

BILL SLATTEN—If someone were to ask who the smartest history student in the class of '52' was, the answer would be none other than Bill. We will also remember him for "that" haircut which took a genius to comb as well as to cut.

ED SMITH—This is one guy that haunted the tennis courts every spring, and this proves his knack with a racket, playing boys' first-doubles. He was pretty handy with the basketball too. He'll be singing and sailing to "Anchors Away" after graduation.

SYLVIA SOMMERER—Here is another Senior with a yen

AS I'LL REMEMBER THEM

for music. She can be remembered for helping to accompany the chorus and dance band. She is also another one of the "brains" in this class. Bob is taking her along with him when he goes to the University.

BILL SWART—Transferring from LaGrande High his Senior year, Bill became well known for his "Sinatra" like voice. He was one of the added attractions as vocalist with the high school dance band.

DARLENE TRAMEL—Sweet is the perfect word to describe the charm of Dar's. She is one of those girls you want for a friend, for you know she will be a good one. That diamond you see on her third finger, left hand, is from Bill—enough said about Darlene's future.

DORIS UFFORD—A definition of a good personality is Doris Ufford. She is President of F.H.A. and is also known for her humorous readings. Her plans for the future show a definite interest in children for she would like to be a primary teacher.

NANCY VAIL—To be given "The Laugh" by Nancy is as bad as "The Evil Eye." She can always be seen either telling jokes or laughing at them. To hear Nancy sing "No, No, a Thousand Times No" you would almost believe her plea.

JOAN WALKER—"Jo" will be remembered for her trips to Oklahoma—funny thing was she always took them about the time school started. Her ambition is to be a nurse and we wish her loads of luck.

JAMES WHALEY—I couldn't get much information out of Jim, but I can say that shy, bashful, and quiet are the exact words to describe this fellow. Now he works at the flower shop, and as far as the future is concerned he has no definite plans.

CAROL WHIPPLE—She will be remembered for her blue rimmed glasses which match her blue eyes. She is always ready and willing to help, and is an active member of Pep Club and G.A.A. When she graduates her plans center around work for awhile and then travel.

ELVON WILLIAMS—When we think of books we think of Elvon because he can usually be found reading. "Always snoozing" would describe him very vividly, especially during English class. Elvon plans to work at Ordnance or the dam until Uncle Sam calls.

JIM WILSON—Jim was always thought of as one of the quietest boys in the Senior class. Even though he was quiet, he could be described as one of the best workers and easiest
luck to a swell fellow.

BEVERLY WOODWARD—Beverly shall always be remembered for her beautiful red hair, no temper though, most of the time she is cool as a cucumber. If she doesn't go to college, Beverly guesses she will go to Alaska.

JULIAN WOODWARD—What class would be complete without a comedian? Julian will always be remembered for his "unlimited" supply of humor which kept everybody laughing! We won't forget that bright red hair of his either!

CHERRIE WOOLARD—The gal that threw all the chuckles in the Senior play was Cherrie, as she now spells it. We will all remember her for her own special rendition of "Come on a My House," which you had to watch to appreciate.

MARILYN RUST—That slight drawl you hear that sounds distinctly not western belongs to this swell little gal from Indiana. After graduation Marilyn plans to be married—and the lucky guy is already chosen as you can tell by the diamond she wears on her left hand.

CAROL OAKLEY—Carol has very good taste in clothes and looks good in what she wears. Coming back from California in her Senior year, she took up were she left off. Carol, one of the smaller girls in the Senior class, plans to attend Oregon State next year.

DIANE HOLEN—Diane, from Minot, North Dakota, transferred to H.U.H.S. during her Senior year. Diane is one of those few gals lucky enough to have lovely blonde hair. Diane would like to study to be a doctor following graduation.

GLORIA ARAGON—Gloria, another Senior year transfer to H.U.H.S., is a swell dancer and is especially noted for her smallness. We hope she enjoys Hermiston and that she will have loads of luck in the future.

FLORA BELDING—Here is another proof that nice things come in small packages. Flora is barely 5' feet tall. Flora has been an interested home ec. student through high school and after graduation she plans to use what she has learned in a home of her own.

MARGARET STEVENS—This sweet and likeable little gal transferred to Hermiston High from Portland during her Senior year. Margaret is a good commercial student and plans to use what she has learned in these classes in her job following graduation.

Bulldogs Humble Umatilla Varsity

Hermiston's Bulldogs opened their 1951-52 basketball season here, Dec. 4, by humbling the Umatilla Vikings, 72-40.

Dave Nelson's quintet was never in serious trouble, although they slowed down during the first half which ended 31-21 in favor of the hosts.

Let by the scoring of Tom Evans and the foxy playing of Larry McKean, the Bulldogs soon rolled up a wide margin. Evans, who led all scoring with 21 points, "just couldn't miss." Interceptions and deceptive handling of the ball proved McKean outstanding.

Hermiston's two returning lettermen, Willie Liebe and Vint Alleman, tossed in 10 and 16 points, but were halted from scoring further as they reached their limit of personal fouls.

The wild, fast moving fray featured 49 personal fouls. Before it was over, both teams ... two first stringers ...

Reporter Records Redmond Ride; 32 Pep Girls March at Half Time

By Clarene Carr

Bright and early Saturday morning 32 pep club girls, three cheer leaders, two majorettes, and three advisers boarded the new school buss with the driver and his wife to head for Redmond to the basketball game—the Panthers vs. the Bulldogs.

With blankets, pillows, lunches, and sleepy looking eyes, we were on our way. Everywhere you looked there were girls. In the aisles, under the seats, and last but not least, on the seat itself.

After we were all settled, some jokers in the back of the bus started singing songs, but after some threats of being kicked off they soon quieted down, so then our minds wandered to food. So out came the mangled lunches, and guess what the special was that day —tuna fish sandwiches. But we soon forgot our misfortune of not having fried chicken when Pat Gray, who had brought along almost a bushel of peanuts, swore she couldn't eat them all after eating five sandwiches (tuna), an orange, candy bars, a box of carmels, pound of grapes, and some other minor things.

(Food and More Food)

So the rest of us were glad to assist her by eating the peanuts. Our "peppy peanut revolution" was interrupted by the bus driver calling, "all out, Biggs Junction." So off we scrambled to get another supply of food.

Twenty minutes later we were rolling along again, only this time nice and quiet after instructions from "headquarters" (two front seats where the advisers sat) that we should rest our little vocal cords so we could be nice and peppy for the game and half, when we were going to march for the Redmond spectators.

myself. We were in groups of twos when we went to the girl's house for supper.

After seating ourselves for the game we yelled our heads off but lost to the Panthers. At half time our pep girls marched for the Redmond spectators.
